**The Society Comedy Troupe - May the Fourth be With You**

Improvised music, comedy, scenes, the works. If you've seen "Whose Line Is It Anyway" you have an idea of what kind of hilarious, energetic comedy that team improv can be. If you come to our show, you will laugh. If you don't, there's no one who can help you. The Society are 12 time iO West Cage Match Champions!

What to Expect: At The Society Comedy Troupe, a cast of professional actors and comedians will take you on a comedy adventure that is never the same twice. Most shows begin with a short warm-up from one of our players to explain the show and get the audience ready to enjoy. Then our Players take the stage, and the spontaneity begins. Because we get suggestions for scenes and seek input from the audience, you can, if you choose, directly affect the show. Usually we do shorter improv games or scenes at the beginning of the show, and then start a long-form play or musical for the second half. However, because we're making everything up, that can change too!

At every show, you can expect:

Many Folk in SoCal may not have been aware that reality as they know it has been in peril over the course of the year, however, both audience and critics have been enthusiastically stepping up to save it, in Cavort Theatre's newest work 'The Universe (101)'. The show that features a totally original script and many magical and mental effects has wowed audiences and critics alike causing comparisons to be made to such stellar company as Steve Martin, The Marx Brothers, Mel Brooks, Abbot and Costello, Fawcett Towers, Monty Python and Douglas Adams' Hitch-hikers Guide to the Galaxy! The show picked up the coveted Hollywood Fringe 'Pick of the Fringe' award, the 'Encore Hollywood Producers' Award' in addition to receiving a 'Double Sweet' and 'Audience Choice' award from review site Better Lemons. The show also made the 2018 top ten shows to see in LA selected by Stage Raw! Plein Air Painting**

Welcome to Wednesday Morning Plein Air Painting. I am Meressa Naftulin, a member of the Santa Clarita Artist Association. Come join our group to share the experience of painting outdoors.

This month we will meet at Judy Reinsma's Ranch at 29750 San Francisquito Canyon Rd, Road, from 9:00 to 12:00. We met at Judy's home last year and found a great deal to draw and paint. It's a lovely location with several buildings, lovely views, as well as horses to draw. I hope you can attend.

To get to Judy's home Take Copperhill to San Francisquito Canyon Road and go north. Follow the road for 2.4 miles to Riverview Road and turn right. Judy's ranch is the first gate on the left. Also check with GPS to get more detailed instructions from where you live.

This will be a meet-up group. By this I mean that there is no fee and no formal instruction. We enjoy sharing information about painting outdoors. Come with a sketchbook or your medium of choice. It's a great way to spend time outdoors.

**Castles, Cottages and Countryside Show**

Laurie Morgan invites you to view her solo art show, Castles, Cottages and Countryside, at FastFrame during the month of June, 2019. There will be an

The exhibit includes a selection of watercolor and pastel paintings from her travels, showcasing landscapes, florals and architecture.

"I get a thrill rendering on canvas the sights I see in my travels around the world," said Morgan. "I'm intrigued by historic architecture and most of my work contains part of a house, castle, cottage, cabin, barn or other structure. I love the history behind the buildings and ruins, and try to convey their stories. Many of my paintings have windows or doors, arches and pathways. These mean to me adventure,

surprise and levels of spirituality. I'm also fascinated by man's use of natural substances such as, stone, brick, wood and often add these to my work as well. Equally I love flowers and gardens and try to include them wherever I can. I often use my own garden for inspiration for many of my floral paintings."

A local artist since 1988, Morgan is a member and past-president of Santa Clarita Artists Association and teaches art classes through ARTree. An award-winning artist, Morgan's art has been exhibited at the SCAA Gallery of Santa Clarita, La Galeria Gitana in San Fernando, Santa Paula Arts Association Gallery, The Lonny Chapman Theatre in Noho, JET Studios in Noho, the Canyon Theatre Guild, The Main in Old Town Newhall, Fast Frame Valencia, The Valley Fair, and other art fairs and shows throughout L.A. County. Her original paintings and prints reside in homes and businesses all over the world. Her complete collection may be viewed at [www.lauriemorgan.biz](http://www.lauriemorgan.biz).
